Rev. Leonard Tinker,

Dear Sir,

Why don't you let your children go to school without armbands like other American children or else send them to Russia or China where they can have "oodles" of freedom?

If they want to demonstrate against the war in Vietnam, then let them demonstrate in front of the school by walking back and forth on Sat. or Sunday. OR have a "sit-down" on the school steps on Sat. or Sunday.

Nobody's right of "free speech" is being denied. Yours for a "better influence" on your children.
